

Nozzle guide

Please note, this information contains recommended guidelines to assist with re-ordering extra nozzles. It does not constitute an agreement whereby Permabond commits to supply the exact model as stated above with packaged products. Nozzles included in packaged goods may vary depending on availability and without notice.

Nozzle Code	Details		Suitability	Ordering Information
MBQ05-16L	Diameter: 5.3 mm Elements: 16 Length: 90.7 mm Volume: 1.88 ml		50ml Structural Acrylics	MBQ05-16TXPCK 10 x 50ml TA nozzles (short)
